## EMERGENCIES

---

In the case of an emergency, our contact centre agents are on standby 24/7.

The contact centre agents will require your vehicle registration number and will dispatch a recovery team to locate the vehicle, if necessary.

## LOG-BOOK

---

Our vehicle tracking service includes a SARS-approved electronic logbook.

If you are registered as the regular driver, you will receive a logbook link via email.

The link will take you to a report displaying the previous week's trips, you will be able to confirm if the trip was either private or business.

We recommend that you create points of interest (POI) against all business trips.
